PROJECTS

Project A
March 2016
Email app that holds all messages sent after 3pm on Friday and sends them to you on Monday morning. So you actually read them.

Project B
February 2016
News app that connects to a blood pressure monitor and adjusts your feed accordingly.

Project C
June 2013
App that automatically updates all your recurring credit card payments after yours inevitably gets compromised every damn year.

Project D
April 2013
Email app for your parents that does not come loaded with a forwarding feature.
